NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall master, of the S.S "Olympic" from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a diligent and careful examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that he one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. Marshall

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head-tax status*). - Steamship lines should make no entries in this column The space is for use of Government officials only

Column 4 (*Age*).—The answer in this column should be expressed in years or months the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female)

Column 6 (*Married or Single*).—The answer should be M (married) S (single), Wd (widowed), or D (divorced)

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation trade, or profession of each alien arrival, as, for example Civil engineer, shaft, carp engineer locomotive engineer mining engineer brass polisher steel polisher iron moulder, wood turner etc and not simply as engineer polisher moulder turner or other indefinite designations

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows

A farmer is one who operates a farm, either for himself or for others

A farm laborer is one who works on a farm, for the man who operates it

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens applicants

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland or any other country. In this connection the following distinctions should be especially observed

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes)

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living give name and address of friend

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom are passage paid*).—The entry should show definitely by whom passage was paid as self, husband father brother, or other relative; friend, steamship company, etc

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend with name and complete address

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Miles Prior, Surgeon of the S.S. "Olympic", sailing thereunto, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of U.S. (Illegible), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, six in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall master, of the S. S. "Olympic", from Southampton, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e. compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e. compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Miles Prior, Surgeon of the S.S. "Olympic" Sailing thereon, do solemnly, sincerely, and truly Swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of M.B. B.S. (Dunelm), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Six in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

M Prior.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

NOTE.— Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall Master (State whether Master, First or Second Officer), of the S.S. "Olympic", from Southampton, do solemnly, sincerely, and truly ~~swear~~ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ~~—~~ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. Marshall
Master

Sworn to before me this 7th day of May, 1923
at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wi (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French," by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)," refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Miles Prior, Surgeon of the S S "Olympic", Sailing thereon, do solemnly, sincerely, and truly declare that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of M. B. L.R.C.P. (Dunelm), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

M. Prior.

Sworn to before me this 29th day of May, 1925

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall Master, of the S.S. "Olympic", from Southampton, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act; and that also, according to the best of my knowledge and belief, the information in said lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Milo Prior, Surgeon of the S S "Olympic" Sailing thereon, do solemnly, sincerely, and truly Swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of U.S. (Kansas)

and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 50 in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall, Master, of the S.S. "Olympic", from Southampton, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing thereunto, or the surgeon employed by the owners thereof, to make a physical and mental Examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Five in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(Master or Commanding Officer)
Master

Sworn to before me this 2nd day of May, 1923

Immigration Officer

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or 'if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket), or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. Marshall, Master, of the S/S "Olympic", from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

H. Marshall
Master

Sworn to before me this Twenty-fifth day of May, 1925

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 14 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Miles Friot, Surgeon of the S.S. "Olympic" Darling Herrwith, do solemnly, sincerely, and truly Swear that I have had Twenty-five years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of M.B., B.S., (Durelm), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets. Six in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

M. Friot

Sworn to before me this Twenty-sixth day of May, 1925

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or Single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced)

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Miles Finot, Surgeon of the S.S. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. Marshall, Master, of the S.S. "Olympic", from Southampton, do solemnly, sincerely, and truly ~~S.Swear~~ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Immigration officers only.

Column 4. *Age.* The entry should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M. (male) or F. (female).

Column 6. *Married or single.* The answer should be M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 7. *Calling or occupation.* The entry should describe the occupation, trade, or profession of each alien at the last place he or she lived, every man, woman, and child, whether employed or not, must be given some calling. Persons of no occupation, such as children, should be entered as having none.

A dash (—) should be made between artisans and laborers, regardless of the amount of mastery shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for others by the day, month, or year.

Steamship companies should have their descriptions of immigrants and corrections made, if necessary, by inspectors and experts, before the personal examination of aliens at docks.

Column 8. *Nationality.* This column is to be filled in only in response to the question "Read what languages or dialects spoken (or understood) by each alien." In answering this question the language or dialect indicated by each alien should be entered, and not the country to which such language or dialect belongs. Thus, persons who speak German should be entered as speaking German, and not as subjects of Germany, Austria, Switzerland, or any other country.

Column 9. *Nationality.* Spanish should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is invited to the distinction between race and the country of which citizen or subject; country of last permanent residence; and country of birth, and in answering should be carefully observed by inspectors and experts. Thus, in this regard, the language spoken gives no indication of race. Jews, for example, may speak German, French, English, Spanish, Italian, Russian, or Arabic according to the country in which they have resided, but they belong to the Hebrew race. Natives of Scotland may be born subjects of Great Britain, but belong to the Scotch race. Persons born in Germany may be Poles, Danes, Bohemians, Alsatians, Germans, or Hebrews, according to their race. Natives of the Republic of Liberia may be Negroes, Americo-Liberians, Germans, or Hebrews, according to their race. Natives of the kingdom of England may be Welsh, Scotch, Irish, Hebrew, or any other race. In this connection the following descriptions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, wherever residing in Europe, South America, Canada, Australia, and the United States, should be classed as "Italian (north)." Most of these have a dialect of their own, or are chief consulars, should be classed as "Italian (north)." Most of these have a dialect of their own, or are chief consulars, should be classed as "Italian (north)." Most of these have a dialect of their own, or are chief consulars, should be classed as "Italian (north)." Most of these people speak a tuscan dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Romagna, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants wherever residing in Europe, South America, Canada, Australia, and the United States, should be classed as "Italian (south)." Most of these have a dialect of their own, or are chief consulars, should be classed as "Italian (south)." Most of these people speak a tuscan dialect of the Italian language.

Column 11. *Last permanent residence.* A total of one year should constitute permanent residence. The last country in which the alien has resided one year should constitute the last permanent residence. The last country in which the alien has resided one year should constitute the last permanent residence. The last country in which the alien has resided one year should constitute the last permanent residence. If the alien has resided one year in each of two countries, the last one should be entered as the last permanent residence. It is important for the purpose of determining the status of aliens who are returning to the United States after temporary absence abroad that the last permanent residence of aliens who are returning to the United States after temporary absence abroad be correctly stated. If the alien has resided one year in each of two countries, the last one should be entered as the last permanent residence

AFFIDAVIT OF SURGEON

I, Miles Finlay, Surgeon of the S.S. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall, Master, of the S.S. "Olympic", from Southampton, do solemnly, sincerely, and truly ~~declare~~ swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

~~Officer~~ Master

Sworn to before me this twenty-sixth day of May, 1925.

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as the customs officers must know exactly what each alien intends to do in the United States. Such terms as "laborer," "servant," "farmer," "merchant," "manufacturer," "dressmaker," "milliner," "gentleman," "lady," etc., are not sufficiently descriptive. Care should be taken to distinguish between persons actually following a profession and persons having no occupation but formerly following a profession. Wives should not be described as having no occupation merely because they are not engaged in gainful occupations. Persons formerly engaged in gainful occupations, but incapacitated by age or infirmity from following their occupations, should be returned as laborers, farmers, servants, etc., according to their former occupations. Persons of leisure having an income sufficient for their support should be described as such. Persons dependent entirely upon others for support should be described as such. Children should not be described merely as "child" or "children," but should be described as "boy" or "girl," as the case may be.

A farmer should be understood to include all persons actually engaged in the cultivation of the soil, whether as owners, tenants, croppers, or laborers.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one employed on a farm for hire (may also be engaged in other occupations).

A gardener should be understood to include florists, nurserymen, truck farmers, and vineyardists.

Steamship companies should make their entries in the manner stated above, and corrections should be made, if necessary, by government officers only, after the examination of each alien.

Column 8. *How can read and write.* Unless the immigrant can read and write some language, the answer to this question should be "No." Do not enter "Yes" unless the immigrant can read and write some language. Read what immigrant writes in a sentence dictated by the examining officer. Write what immigrant reads. If the immigrant can read the alien's own language, but not English, he should be so recorded. If alien is unable to read or write because of physical defect or infirmity (such as loss of hands, blindness, etc.), or because of age (under 16 or over 60 years), he should be recorded as unable to read or write, but the defect, infirmity, or age should be noted in the remarks column. Persons who can read but not write, or write but not read, should be recorded accordingly. Persons who can read and write only figures should be recorded as unable to read or write.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special care should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth should be carefully recorded for those alien and races to which the regard. The questions "Nationality" and "Race or people" sometimes elicit the same answer, as in case of Swede, Spaniard, Greek, Chinese, or other alien of the kind. In case of Irish, Scotch, English, or other alien of the kind, the answer "Irish," "Scotch," "English," or some other race or people should be given, and not "British." Persons born in Palestine, Syria, Asia Minor, Arabia, Persia, Afghanistan, India, Egypt, Africa, Australia, or other British colonies or possessions should not be recorded as "British," but as Palestinian, Syrian, Arabian, Persian, Afghan, Hindu, Egyptian, African, Australian, or other native race or people, as the case may be. The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardia, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, South America, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. Last permanent residence. — Actual intent controls permanence. Time shall not constitute permanent residence. The last country in which alien resided with the intention of remaining, not merely for a short period, but permanently, is the country of last permanent residence. If enemies or minors, it should show the country of birth of parents, guardian, or husband, as the case may be. It should show the country, state, city, or town of last permanent residence. It is not legal for aliens to declare their intention to become citizens of the United States in order to establish permanent residence there. Nor is it legal for aliens to establish residence in the country of their birth merely as a means of evading the immigration laws.

Quarterly, or land permanent residence between, who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. Name and complete address of nearest relative or friend in country whence alien came. — The entry should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 13. Final destination. — The answer to this question shall show the intended future permanent residence. An intended permanent residence in the United States shall constitute sufficient compliance. It should show definitely the place to which alien intends to go. If intended future permanent residence is within the United States, it should be in the United States.

Column 14. Whether having ticket to such final destination. — The answer should be either Yes (ticket) or No (no ticket).

Column 15. By whom was passage paid. — The entry should show definitely by whom passage was paid, whether by himself, by relative, friend, or other person, or by transportation company, etc.

Column 16. Whether in possession of $50 and how far. — The answer should give exactly the amount of money in the possession of alien. Money brought by the head of family should be taken into consideration by the inquiry.

Columns 17 (Whether ever before in the U. S.) and 18 (If so, when and where). — The answer should show whether alien has ever been in the United States before, and if so, the year (or period of years) and place (or ports) of last visit. If uncertain

Columns 19 (Whether going to join relative or friend, and if so, what relative or friend) and 20 (Name and complete address). — The inquiry should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 21 to 25. — These questions are self-explanatory and the answers like all others on the sheet are subject to be tested by inquiry of the alien by the examining officer. However, in answer to question 25, if alien has been deported from this country and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, "Head tax status" — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3, "Age" — The answers in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4, "Sex" — The entry should be either the letter M (male) or F (female).

Column 5, "Married or single" — The answers should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7, "Calling or occupation" — The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Such terms as "laborer," "farmer," "servant," "merchant," "clerk," "manufacturer," "gentleman," "lady," "none," and "housework" are unsatisfactory, and should not be used. Wife, children, etc., at home should be entered as "housework at home."

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or other compensation.

Steamship companies should not use the terms "laborer," "servant," "general laborer," "factory laborer," and "laborer (specify kind)" in describing occupations, as these terms are indefinite and do not show the character of work the alien intends to perform in the United States. Definite statements should be required, such as "farm laborer," "cotton planter," "lumberman," "turpentine farmer," "miner," "mason," "bricklayer," "engineer," "cabinetmaker," "machinist," "tailor," "tailoress," "dressmaker," "stenographer," "bookkeeper," "clerk," "salesman," "saleslady," "trained nurse," "physician," "surgeon," "dentist," "architect," "civil engineer," "professor," "teacher," "student," "author," "editor," "journalist," "actor," "actress," "artist," "musician," "professional baseball player," "clergyman," "missionary," "evangelist," "barber," "hairdresser," "manicurist," "chiropodist," "shoemaker," "tailor," "seamstress," "dressmaker," "milliner," "weaver," "butcher," "baker," "cook," "waiter," "waitress," "porter," "maid," "janitress," "laundress," "presser," "watchman," "policeman," "soldier," "sailor," "fireman," "conductor," "engineer," "motorman," "chauffeur," "driver," "machinist," "horseshoer," "blacksmith," "carpenter," "cabinetmaker," "painter," "paperhanger," "plumber," "steamfitter," "roofer," "bricklayer," "stonecutter," "stonemason," "tile setter," "terrazzo worker," "concrete worker," "plasterer," "cement finisher," "structural iron worker," "riveter," "electrician," "glazier," "glass blower," "engraver," "moulder," "pattern maker," "upholsterer," "rubber worker," "potter," "millwright," "toolmaker," "die sinker," "bookbinder," "printer," "lithographer," "compositor," "typesetter," "photoengraver," "electrotyper," "stereotyper," "pressman," "paper hanger," "decorator," "piano maker," "organ builder," "cabinetmaker," "carver," "gilder," "milker," "herder," "shepherd," "stockman," "ranchman," "cowboy," "fisherman," "oysterman," "seaman," "deckhand," "stevedore," "longshoreman," "teamster," "hostler," "painter," "gardener," "florist," "nurseryman," "lumberjack," "timber cruiser," "sawyer," "faller," "bucker," "teamster," "laborer," "lumberman," "raftsman," "driver," "chainman," "rodman," "topographer," "surveyor," "mason," "bricklayer," "plasterer," "tile setter," "stonecutter," "stonemason," "roofer," "structural iron worker," "painter," "glazier," "tinsmith," "plumber," "steamfitter," "engineer," "fireman," "oiler," "pumper," "driller," "rigger," "shooter," "pipeliner," "miner," "mine operator," "quarryman," "well driller," "prospector," "explorer," "surveyor," "assayer," "metallurgist," "chemist," "mill worker," "smelter worker," "refiner," "puddler," "roller," "engraver," "die sinker," and not "manufacturer," "dealer," "agent," "contractor," "speculator," "capitalist," "gentleman," "lady," "none," "housework," or "housework at home."

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or other compensation.

Steamship companies should not use the terms "laborer," "servant," "general laborer," "factory laborer," and "laborer (specify kind)" in describing occupations, as these terms are indefinite and do not show the character of work the alien intends to perform in the United States. Definite statements should be required, such as "farm laborer," "cotton planter," "lumberman," "turpentine farmer," "miner," "mason," "bricklayer," "engineer," "cabinetmaker," "machinist," "tailor," "tailoress," "dressmaker," "stenographer," "bookkeeper," "clerk," "salesman," "saleslady," "trained nurse," "physician," "surgeon," "dentist," "architect," "civil engineer," "professor," "teacher," "student," "author," "editor," "journalist," "actor," "actress," "artist," "musician," "professional baseball player," "clergyman," "missionary," "evangelist," "barber," "hairdresser," "manicurist," "chiropodist," "shoemaker," "tailor," "seamstress," "dressmaker," "milliner," "weaver," "butcher," "baker," "cook," "waiter," "waitress," "porter," "maid," "janitress," "laundress," "presser," "watchman," "policeman," "soldier," "sailor," "fireman," "conductor," "engineer," "motorman," "chauffeur," "driver," "machinist," "horseshoer," "blacksmith," "carpenter," "cabinetmaker," "painter," "paperhanger," "plumber," "steamfitter," "roofer," "bricklayer," "stonecutter," "stonemason," "tile setter," "terrazzo worker," "concrete worker," "plasterer," "cement finisher," "structural iron worker," "riveter," "electrician," "glazier," "glass blower," "engraver," "moulder," "pattern maker," "upholsterer," "rubber worker," "potter," "millwright," "toolmaker," "die sinker," "bookbinder," "printer," "lithographer," "compositor," "typesetter," "photoengraver," "electrotyper," "stereotyper," "pressman," "paper hanger," "decorator," "piano maker," "organ builder," "cabinetmaker," "carver," "gilder," "milker," "herder," "shepherd," "stockman," "ranchman," "cowboy," "fisherman," "oysterman," "seaman," "deckhand," "stevedore," "longshoreman," "teamster," "hostler," "painter," "gardener," "florist," "nurseryman," "lumberjack," "timber cruiser," "sawyer," "faller," "bucker," "teamster," "laborer," "lumberman," "raftsman," "driver," "chainman," "rodman," "topographer," "surveyor," "mason," "bricklayer," "plasterer," "tile setter," "stonecutter," "stonemason," "roofer," "structural iron worker," "painter," "glazier," "tinsmith," "plumber," "steamfitter," "engineer," "fireman," "oiler," "pumper," "driller," "rigger," "shooter," "pipeliner," "miner," "mine operator," "quarryman," "well driller," "prospector," "explorer," "surveyor," "assayer," "metallurgist," "chemist," "mill worker," "smelter worker," "refiner," "puddler," "roller," "engraver," "die sinker," and not "manufacturer," "dealer," "agent," "contractor," "speculator," "capitalist," "gentleman," "lady," "none," "housework," or "housework at home."

Column 8, "Nationality" — Nationality means allegiance to some country. As a rule, it is shown by the country of which the alien is a citizen or subject.

Column 10, "Race or people" — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the distinction between race and the country of which citizen or subject, as explained in the instructions for columns 8 and 10. Thus, a citizen of Scotland may belong to the Scotch, English, Welsh, Irish, Scandinavian, German, French, Spanish, Italian (Latin), Jewish, Negro, or other race. Similarly, a citizen of Germany may belong to the Jewish, Polish, Bohemian (Czech), Slovak, Croatian, Slovenian, Dalmatian, Servian, Bulgarian, Negro, or other race. Again, a citizen of Turkey may belong to the Turkish, Armenian, Greek, Syrian, Arabian, Negro, or other race. Other illustrations might be given, but the foregoing will suffice to show that the country to which an alien belongs is frequently entirely different from the race or people to which he belongs. The following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America and Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Liberia or other islands of the West Indies. North American, South American, or European Negroes should be classified under their respective races or peoples, and not as Africans.

ITALIAN (NORTH)

The people who are native to that portion of Italy north of the Appenines, the Provinces of Piedmont, Liguria, Lombardia, Venezia, Emilia and Romagna, and their descendants, should be classified as "Italian (north)." Natives of the Provinces of Massa Carrara, Lucca, Pisa, Livorno, Firenze, Pistoia, Arezzo, Perugia, Ancona, Pesaro, Urbino, Macerata, and Teramo, and their descendants, should be classified as "Italian (north)."

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the Appenines, the Provinces of Grosseto, Siena, Rome, Viterbo, Aquila, Campobasso, Caserta, Napoli, Benevento, Avellino, Salerno, Potenza, Foggia, Bari, Lecce, Brindisi, Tarento, Cosenza, Catanzaro, Reggio, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Cagliari, Nuoro, Sassari, and Porto Maurizio, and their descendants, should be classified as "Italian (south)."

Column 11, "Last permanent residence" — Where an alien has resided for one year or more in a country other than his native country, that country should be entered as his last permanent residence. The last residence in which other than a mere transient sojourn was made should be entered. Thus, a native of Italy who has resided in the United States for one year or more, and returned to Italy for a visit, should enter the United States as his last permanent residence. Temporary residence in Canada, Mexico, Cuba, or adjacent islands shall not be considered as residence in a country, nor shall temporary residence in foreign countries by persons who have their homes in the United States.

Column 12, "Ever in U. S." — Answer Yes or No, as the case may be.

Column 13, "Seeking to join" — The entry should show the name of the relative or friend in the United States whom the alien intends to join.

Column 14, "Final destination" — The answer to this question should show the intended future permanent residence. A visit to relatives or friends, or a stay in a hotel, should not be considered permanent residence. The city should be stated, but the country will suffice for a destination in the United States. A destination in Canada, Mexico, Cuba, or adjacent islands shall not be considered permanent residence, if within the United States intended to mean the United States.

Column 15, "If deportable, cause and place of final destination." — The answer should be either Yes or the letter N or No.

Column 16, "Amount in possession" — The entry should show definitely by which passage was paid, as "Self," "Father," "Brother," or other relative, friend, steamship company, or agency, and why.

Column 17, "If going to join a relative, name and address" — The name should give the relative's name, and address, the city and State in the United States. Money brought by the head of a family or adult for himself and family should be entered in the column for the head of the family.

Column 18, "Ever in U. S. before? If so, when and where?" — The entries should show whether the alien has ever been in the United States before, and if so, when and where.

Column 19, "Ever in prison, etc.?" — The answer should be Yes or No.

Column 20, "Whether going to join, release or friend, and if so, what relative or friend" — The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 21, "Condition" — These questions are for examining officers and the answers should be left on the sheet.

Column 22, "Final admission" — This column is for the use of officers in the examination of aliens. If desired, its questions may be answered by the examining officer in the course of the examination. If an alien, in answering question 22, admits that he is a member of a class excluded by law, or if the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The entry in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

If a child, whether going to school or not. If going to school, what grade. If no occupation, state whether infant, child, or person of leisure.

A certain note should be made between laborers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or operator.

Steamship companies should make this distinction in the manifests, and correction should be made, if necessary, by inspectors and examining officers at each seaport of entry.

Column 8. *Race or people.* — The question should be carefully read, and a proper answer given. Read what has been said in the introduction to the list of races printed on back of this sheet. In doubtful cases, the nationality of the alien should be ascertained, and the race or people to which he belongs determined therefrom. Thus, a native of Scotland should be returned as Scotch, not British; a native of Ireland as Irish, not British; a native of Wales as Welsh, not British; a native of Germany as German, not Teutonic; a native of Switzerland as Swiss, not German, French, Italian, etc., as the case may be; a native of Bohemia as Bohemian, not Austrian; a native of Finland as Finnish, not Russian; a native of Iceland as Icelandic, not Danish; a native of India as Hindu, East Indian, Parsee, Mahratta, Bengali, Punjabi, Pathan, Afghan, Sikh, Kabulese, Kashmiri, Madrassi, Cingalese, Burman, Malay, Siamese, Annamese, Japanese, Chinese, Korean, Filipino, Negrito, Igorrote, Moro, Visayan, Tagalog, Bisayan, Pampangan, Ilocano, Pangasinan, Zambal, Negrito, Tinguian, Bontoc Igorrote, Kalinga, Ifugao, Kiangan, Ibilao, Nueva Vizcayan, Ilongot, Abaca, Negrito, Mangyan, Tagbanuan, Paragua, Cuyunon, Calamian, Agutaynen, Cagayan, Sulu, Mohammedan, Samal, Bajau, Kagayan, Lutaonon, Sebuano, Dumagat, Ibanag, Tinggian, Negrito, Ilocano, Zambal, Pangasinan, Pampangan, Tagalog, Bisayan, Abaca

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government, because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W Marshall, Master, of the S/S "Olympic", from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheet No 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. Marshall
Master.

Sworn to before me this Twenty-Sixth day of May, 1925

at New York

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of immigration officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe the occupation (trade or profession) of each alien as definitely as possible. Such entries as "laborer," "servant," "student," "housewife," "gentleman," "lady," and "none" should not be used. Persons formerly engaged in any trade, profession, business, or occupation, but not actually employed at the time of sailing, should be returned as having no occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockmen and herdsmen should make the distinction in the same way, and correct entries should be made. Persons formerly engaged in any trade, profession, business, or occupation, but not actually employed at the time of sailing, should be returned as having no occupation.

Column 8. *Able to read and write.*—This column is provided to ascertain the literacy or illiteracy of aliens. Read what language he is able to read and write, if any. The answer to this question should be "Yes" or "No." Persons who can read but not write, or write but not read, should be returned as able to read and write. Persons who can read and write only their own names should not be returned as able to read and write, but should be returned as able to read and write only if they can read and write more than their own names.

Column 9. *Nationality.*—Care must be exercised to insure that the country of which alien is a citizen or subject is correctly entered.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject. Country of last permanent residence and country of birth, as stated hereinafter, should be carefully considered by inspectors with reference to this point. For instance, persons appearing under the heading "Hebrew" frequently state their race as Hebrew, their nationality as Russian, Austrian, or German, and their country of birth as Russia, Austria, or Germany. Such persons are not Russians, Austrians, or Germans by race or people, but Hebrews, and should be so entered. Similarly, persons sometimes describe themselves as Polish subjects, Bohemians, Croatians, Slovaks, Dalmatians, Carpathian Mountaineers, Montenegrins, Finns, Lithuanians, Bulgarians, Servians, Roumanians, Syrians, Turks, Armenians, Arabs, Africans (black), Negroes, Mongolians, Japanese, Chinese, East Indians, Mexicans, West Indians, Polynesians, Indians (American), Filipinos, Hawaiians, Koreans, Pacific Islanders, Central and South Americans, and other specified races or peoples. In each of these cases the race or people should be correctly entered, and not the country of birth or nationality. In the case of persons born in Scotland, Ireland, Wales, England, or Canada, they should be returned as belonging to the race or people which they themselves declare they belong to, and not as belonging to the race or people of the country in which they were born. In connection with the following instructions attention should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro races, whether coming from the native islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venezia, and Emilia), and their descendants, whether residing in Piedmont, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Lombardy, Venezia, Emilia, Marche, Umbria, Toscana, Lazio, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual place of residence (home) for one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence, even though he may have gone to other countries to visit or transact business and returned to the country of last permanent residence thereafter. The custom of sailors landing and shipping on vessels sailing from other ports than those of their permanent residence should not be considered as changing the permanent residence of such sailors. If it is claimed for educational purposes that the alien has resided in certain countries solely for the purpose of education, he should be required to show that he has resided in such countries continuously for at least one year, and that such residence was solely for the purpose of education, and that he has the intention of returning to the country of last permanent residence after the completion of his education. Absence from the country of last permanent residence for business or pleasure, or temporary residence in country of birth, indefinite as to time, or for the purpose of evading the immigration laws, should not be considered as constituting permanent residence in any country other than that of last permanent residence.

Column 12. *Whether going to join relative or friend, and if so, what relative or friend.*—Many of the aliens coming to the United States are going to join relatives or friends in the United States. In such cases the entry should give the name and address of such relative or friend. If no such relative or friend is going, the entry should show the destination and purpose of the alien. Persons coming to the United States for the purpose of engaging in business should state the character of business in which they intend to engage, and the name and address of the firm, if any, with which they have arranged to be employed. Persons coming to the United States for pleasure should state the length of time they intend to remain, and the cities they intend to visit. Persons coming to the United States for the purpose of attending school should state the name and address of the school they intend to attend, and the length of time they intend to remain.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. As to aliens in transit through the United States, the entry should show the place beyond the limits of the United States to which they are destined. If the alien intends to remain in the United States, the entry should show the place of intended future permanent residence, if within the United States, country of which he is a citizen or subject.

Column 14. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether any relative or friend paid for passage, and if so, by whom.*—The entry should show whether the passage was paid by relatives or friends, and if so, by whom. The answer should be given in each case regardless of whether the expenses of the alien are paid in whole or in part by relatives or friends. Money brought by the head of a family should not be considered as the money of other members of the family.

Column 16. *Whether in possession of $50 and if not, how much.*—The answer should be given in each case regardless of whether the alien has $50 or more. Money brought by the head of a family should not be considered as the money of other members of the family.

Column 17. *Whether ever before in the United States and if so, when and where.*—The entries should show whether or not the alien is in the United States before, and if so, the year or period of years and place or places. Philadelphia, Pa.

Column 18. *Whether coming to join a relative or friend, and if so, what relative or friend.*—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 48.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to be tested by inquiry of the alien examined or others.

However, in answering question 25, Railroad has found that all persons coming to the United States, with the exception of Labor have authorized him to reapply for admission, free of charge, for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, D. Marshall, Master of the S/S "Olympic", from Southampton, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

D. Marshall
Master.

Sworn to before me this Twenty-Sixth day of May, 1925

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officials.

Column 3. *Place of origin.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.* The answer should be M male or F female.

Column 5. *Married or single.* The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, whether he is a laborer, skilled worker, or tradesman, or has a profession or calling of any nature. If he has no occupation, the fact should be stated. If a child, the occupation, if any, of parents should be given.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in their possession.

A person who operates a farm, either for himself or for others.

A farmer is one who owns or rents a farm and cultivates it.

A farm laborer is one who works on a farm for others.

Steamship companies should make clear distinction between these two classes.

Column 8. *Last permanent residence.* The answer should show the country of last permanent residence of each alien, whether it be the United States or a foreign country. The name of the city or town should be given if possible. Residence for a few days, weeks, or months in a country which is not the alien's permanent residence does not change his nationality. Persons who are permanent residents of the United States and are returning after a visit abroad should be so noted. Immigrants coming to the United States should not report as their last permanent residence any country which they have visited for a few months only.

Column 9. *Name and complete address of relative or friend in country whence alien came.* The answer should give the name and address of the nearest relative or friend the immigrant has in the country he has come from. Do not give the name of a steamship company or agent. Be sure to give street address, if possible.

Column 10. *Final destination.* The answer should show the city or town to which the alien is to go.

Column 11. *Whether going to join relative or friend and if so what relative or friend.* The answer should state whether the alien is going to join a relative or friend, and if so, what relative or friend.

Column 12. *Name and complete address of person or corporation in the United States who paid for ticket.* The answer should show the name and address of the person who paid for the alien's ticket. If the ticket was paid for by the alien himself, the fact should be stated.

Column 13. *Whether in possession of $50 and if not, how much less.* The answer should be Yes or No. Money brought by the head of a family should be stated as that of the family. Money brought by the head of a family should not be stated as that of the several members of the family.

Column 14. *Whether ever before in the United States and if so, when and where.* The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1921, New York.

Column 15. *Whether ever in prison or almshouse or supported by charity.* The answer should be Yes or No.

Column 16. *Whether a polygamist.* The answer should be Yes or No.

Column 17. *Whether an anarchist.* The answer should be Yes or No.

Column 18. *Whether coming pursuant to previous promise or prepaid ticket or otherwise, and by whom.* The answer should be given as in case of Column 11.

Column 19. *Whether ever deported or excluded and if so, why.* The answer should be Yes or No.

Column 20. *Color.* These questions are self-explanatory and the answers, like all others on the sheet, are accepted by the inspector by personal observation in the examination of aliens. However, in answering question 20, if alien has been 1 year or more in the United States and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

"African (black)" refers to the African Negro, whether native born or from Cuba or other islands of the West Indies. South American Negroes, or Negroes from Africa. Any admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and all provinces situated touching the Po. Sometimes known as Lombards. Any person of any other compartimento should be classed as "Italian (south)." Most of these people speak a dialect akin to the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia. Any person of any other compartimento should be classed as "Italian (north)."

Column 11. *Last permanent residence.* The answer should be given in all cases where the alien has been in the United States for more than one year. If he has been here for a period of one year or less, the entry should be "Same country." The last country, in which alien has been a permanent resident for one year or more should be stated. Visits of short duration to other countries should be disregarded. Thus, a person who has lived in Canada 5 years and has visited Europe for a period of 6 months should report Canada as his last permanent residence. Persons who have been in the United States for a period of one year or more and who have gone abroad for a visit should report the United States as their last permanent residence, unless they have acquired permanent residence in the country visited. It is important for the purpose of determining the country of last permanent residence that a record be made of the length of time spent in each country named. Persons who are permanent residents of the United States and are returning after a visit abroad should be so noted. Immigrants coming to the United States should not report as their last permanent residence any country which they have visited for a few months only.

Column 12. *Name and complete address of relative or friend in country whence alien came.* The answer should give the name and address of the nearest relative or friend the immigrant has in the country he has come from. Do not give the name of a steamship company or agent. Be sure to give street address, if possible.

Column 13. *Final destination.* The answer to the question shall show the intended future permanent residence. An intended residence of one year or more constitutes immigration within the meaning of the law, whereas visits of short duration to relatives or friends constitute temporary visitors within the United States, even though the latter intend to remain for a considerable period.

Column 14. *Whether having a ticket to final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.* The entry should show definitely by whom passage was paid, as self, husband, father, mother, grandfather, friend, employer, or name of steamship company.

Column 16. *Whether in possession of $50 and if not, how much less.* Money brought by the head of a family should be stated as that of the family. Money brought by the head of a family should not be stated as that of the several members of the family.

Column 17. *Whether ever before in the United States and if so, when and where.* The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1921, New York.

Column 18. *Whether going to join relative or friend and if so, what relative or friend.* The answer should state whether going to join either a relative or friend, and if so, what relative or friend with name and complete address.

Column 19. *Whether ever in prison or almshouse or supported by charity.* The answer should be Yes or No.

Column 20. *Color.* These questions are self-explanatory and the answers, like all others on the sheet, are accepted by the inspector by personal observation in the examination of aliens. However, in answering question 20, if alien has been 1 year or more in the United States and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien named in the manifest, whether employed by the vessel owner, the master, or the members of the crew, or whether traveling without employment. Persons of no occupation should be so stated, and persons under 10 years of age, if children, may be entered as "child" or "infant." Where no occupation is stated, the alien will be presumed to be without occupation.

A laborer who works on a farm, either for himself or for others.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner thereof, or for others.

Steamship companies should not enter "Passenger," "Cabin passenger," "Steerage passenger," or "Tourist" in this column, as these terms do not indicate the occupation of the alien, which is the information desired. If necessary to ascertain the occupation of any alien, the question should be asked, "What kind of work do you do?" To answer "Nothing" or "None" is not sufficient. If an alien is a student or a child, the answer should be "Student" or "Child," as the case may be. If an alien has been employed at any time during the past year, the answer should be "Laborer," "Servant," "Clerk," "Merchant," "Manufacturer," or whatever the occupation may have been. If an alien is a woman and has been employed during the past year, the answer should be "Housework," "Dressmaker," "Milliner," "Seamstress," "Servant," "Teacher," or whatever the occupation may have been. If an alien is a woman and has not been employed during the past year, the answer should be "Housework" if she is married, and "None" if she is single. Merely to write "Housework" in the case of all women is not sufficient. Do not enter "Housewife" in any case.

Column 8. *Able to read.*—Persons who can read any language should be so returned. It is not necessary to ascertain what language they can read. If unable to read, the entry should be "No."

Column 9. *Able to write.*—Persons who can write any language should be so returned. It is not necessary to ascertain what language they can write. If unable to write, the entry should be "No."

Column 10. *Nationality.*—Give country to which alien owes allegiance. Use name of present country, even though alien may have been born when territory belonged to another country. Thus, a native of Austria-Hungary, born since the separation of Austria and Hungary, should be returned as a native of Austria or Hungary, according to the present political division of the territory in which the birthplace is located. Do not return as natives of Austria-Hungary persons born since the separation. Use the name "Great Britain" in preference to England, Scotland, Wales, or Ireland. Do not return as natives of Great Britain persons born in British colonies or dependencies, but return the country of birth. Return as natives of Germany persons born in Germany, Prussia, Bavaria, Saxony, Wurttemberg, Baden, Hesse, or other German States. Return as natives of Turkey persons born in Turkey, Armenia, Syria, Arabia, Palestine, Mesopotamia, or other Turkish provinces. Return as natives of Russia persons born in Russia, Finland, Siberia, Poland, Lithuania, Courland, Livonia, Esthonia, Bessarabia, Caucasia, or other Russian provinces. Return as natives of Norway persons born in Norway. Return as natives of Sweden persons born in Sweden. Return as natives of Switzerland persons born in Switzerland. Return as natives of France persons born in France, including Corsica. Return as natives of Japan persons born in Japan. Return as natives of China persons born in China. Return as natives of Korea persons born in Korea (Chosen). Return as natives of India persons born in India. Return as natives of Mexico persons born in Mexico. Return as natives of Cuba persons born in Cuba. Return as natives of Canada persons born in Canada. Return as natives of Newfoundland persons born in Newfoundland. Return as natives of the West Indies persons born in the West Indies islands adjacent to the United States, other than Cuba. Return as natives of Central America persons born in Central America. Return as natives of South America persons born in South America. Return as natives of Australia persons born in Australia. Return as natives of New Zealand persons born in New Zealand. Return as natives of the Philippine Islands persons born in the Philippine Islands. Return as natives of Africa persons born in Africa. Return as natives of Asiatic Turkey persons born in Asiatic Turkey.

Column 11. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, whether the country of which such person is a subject or citizen is returned as his nationality or not. Thus, a native of Scotland should be returned as Scotch, a native of Ireland as Irish, a native of Wales as Welsh, a native of England as English, a native of Germany as German, a native of Bohemia as Bohemian, a native of Hungary as Magyar, a native of Austria as Austrian, a native of Turkey as Turkish, a native of Russia as Russian, a native of Finland as Finnish, a native of Norway as Norwegian, a native of Sweden as Swedish, a native of Holland as Dutch, a native of Belgium as Belgian, a native of Greece as Greek, a native of Portugal as Portuguese, a native of Spain as Spanish, a native of Denmark as Danish, a native of France as French, a native of Japan as Japanese, a native of China as Chinese, a native of Korea as Korean, a native of India as Hindu, a native of Mexico as Mexican, a native of Cuba as Cuban, a native of Canada as Canadian, a native of Newfoundland as Newfoundland, a native of the West Indies as West Indian, a native of Central America as Central American, a native of South America as South American, a native of Australia as Australian, a native of New Zealand as New Zealander, a native of the Philippine Islands as Filipino, a native of Africa as African, a native of Asiatic Turkey as Syrian, Arabian, Palestinian, Mesopotamian, or other Turkish race, as the case may be. Persons born in Canada should be returned as Canadian, English, Irish, Scotch, French, or other race, as the case may be. Persons born in Mexico should be returned as Mexican, Spanish, Indian, or other race, as the case may be. Persons born in Cuba should be returned as Cuban, Spanish, Negro, or other race, as the case may be. Persons born in the West Indies should be returned as West Indian, Spanish, Negro, or other race, as the case may be. Persons born in Central America should be returned as Central American, Spanish, Indian, Negro, or other race, as the case may be. Persons born in South America should be returned as South American, Spanish, Indian, Negro, or other race, as the case may be. Persons born in Australia should be returned as Australian, English, Irish, Scotch, or other race, as the case may be. Persons born in New Zealand should be returned as New Zealander, English, Irish, Scotch, or other race, as the case may be. Persons born in the Philippine Islands should be returned as Filipino, Spanish, Chinese, Negro, or other race, as the case may be. Persons born in Africa should be returned as African, Negro, or other race, as the case may be. Persons born in Asiatic Turkey should be returned as Syrian, Arabian, Palestinian, Mesopotamian, or other Turkish race, as the case may be.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in the United States or elsewhere, should be entered as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, the Roman Empire, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, should be entered as "Italian (south)." Immigrants from the Canton of Ticino, Switzerland, who are of Italian race should be entered as "Italian (south)."

Column 12. *Last permanent residence.*—The answer to this question should show the country in which each alien has had a permanent residence. The entry should not be "United States," unless the alien has had a permanent residence in the United States. It is important for the Government to know from which countries aliens are coming to the United States, and for that reason the entry should show the country of last permanent residence. Under the immigration laws, aliens who have had a permanent residence in Canada, Mexico, Cuba, or adjacent islands, or adjacent countries, should show the country of last permanent residence, unless it appears that their presence in such countries was solely for the purpose of obtaining passage to the United States.

Columns 13 and 14. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.*—The answer to these questions should show whether each alien is going to a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15 and 16. *Whether in possession of $50 and if not, how much.*—These questions are self-explanatory and the answers like all others on the sheet are subject to revision by Boards of Special Inquiry. However, in answering question 16, money brought by the head of a family should be entered opposite the name of the head of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether each alien has been in the United States before, and if so, the year or period of years and place or places of last entry.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether each alien is going to a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32. These questions are self-explanatory and the answers like all others on the sheet are subject to revision by Boards of Special Inquiry on the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall, Master of the S/S "Olympic", from Southampton, do solemnly, sincerely, and truly Sworn that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheet 514 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. Marshall
Master.

Sworn to before me this twenty-fifth day of May, 1925

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship line should make no entries in this column. The space is for use of immigrant officials.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widow(er), or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation (trade or profession) of each alien 10 years of age and over, including children attending school. Persons of no occupation, housewives, and children under 10 years of age, must be entered as "None." Laborers, servants, and employees should be described as such, and not as farmers, merchants, manufacturers, etc., unless they are actually engaged in carrying on business of their own.

A distinction must be drawn between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the most part for wages.

Steamship companies should correct inaccurate entries made on the outward lists, and corrections should be made if necessary by inspection of the alien at the time of his application for admission.

Column 8. *Nationality.*—Question 8 should be construed to mean the country of which alien is a citizen or subject.

Column 9. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in answer to question 9.

Special attention should be paid to the distinction between race and the country of which a person or subject. Locality of last permanent residence and country of birth and nationality should be carefully ascertained in all cases in this regard. For instance, Chinese apparently issued the laws of a country, constituting a people, by race or people, and absolutely changed appearing both the head of the race or people and the people themselves. Scandinavians, or any other country. In this connection the following should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who comes from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are natives to that part of Italy north of the basin of the River Po in northern Italy, i.e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia and Romagna and their inhabitants, without regard to race. Immigrants from Austria-Hungary or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Franco language.

ITALIAN (SOUTH)

The people who are natives to that portion of Italy south of the basin of the River Po, i.e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their inhabitants, without regard to race.

Column 10. *Last permanent residence.*—What is the last country of which alien shall have been a resident for one year or more? Do not confuse birthplace with last permanent residence. The entry should be the last permanent residence of the alien, and not necessarily the country of which he is a citizen or subject. It is important that the entry should show a true statement of permanent residence. Temporary residence in a country for the purpose of securing passage to the United States should not be entered as permanent residence. If a person has lived in a country for a number of years, and has declared his intention to become a citizen of that country, but has not actually done so, he will be regarded as having his permanent residence in that country. Temporary residence, consisting of mere visits, does not constitute residence.

Consular officers should be instructed to require of aliens applying for visas a statement of their last permanent residence, and to refuse visas to those who have resided in undesirable countries for periods sufficient to acquire residence therein. Steamship companies should be instructed to refuse passage to aliens who do not present visas if required by the consular officers.

Column 11. *Nearest relative in country whence alien came.*—The entry should give name and address of friend.

Column 12. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended sojourn of one year or more constitutes permanent residence. However, should the alien declare the purpose only to remain temporarily in the United States, the entry should show the United States address, if known, of the person whom he intends to visit.

Column 13. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 14. *By whom was passage paid.*—The entry should show clearly by whom passage was paid, as "self," "father," "husband," "brother," "sister," "friend," "steamship company," etc.

Column 15. *Whether in possession of $50, and if not, by whom amount was furnished.*—The entry should show clearly in each case whether the alien has the amount of money shown. Money brought by the head of a family should not be credited to the second or third person of the family.

Column 16. *Whether ever in the United States and if so, when and where.*—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place or places (as 1903-1907, Philadelphia).

Column 17. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 30.—These questions are self-explanatory and the answers, like all others on the sheet, are required to be recorded by immigration officers in the examination of aliens. However, in the case of quota (i. e., if alien has been deported as an undesirable and the Secretary of Labor has authorized him to reapply for admission), the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Marshall, Master, of the Sp "Olympic", from Southampton, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of immigration officials only.

Column 4. *Age.*—Ages as given in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5. *Sex.*—The entry should be either M. male or F. female.

Column 6. *Married or single.*—The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade or profession of each alien, stating as fully as practicable the character of work which he has been accustomed to perform, whether skilled, partly skilled, or unskilled, and the number of months he has been employed at such work during the past year. Such terms as "laborer," "servant," "clerk," and "student," without further qualification, should not be used unless they are accompanied by a definite statement as to the character of work usually performed by persons belonging to the occupation designated.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockmen, engineers, etc., should make the distinction as to the character of work usually performed, and corrections should be made, if necessary, by immigrant inspectors at the time of the examination of aliens.

Column 8. *Able to read and write.*—This column should be used to answer the following question: "Can the alien read and write some language?" If exemption is claimed, state what language. In answering this question the language in which the alien is able to read should be stated. If short sentences be read and drawn correctly from the reading, proficiency sufficient to avoid answering should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and particular should be carefully pursued by inspectors and transfer clerks in this respect. For instance, Italians appearing under the head of citizens of the United Kingdom, Hebrews appearing under the head of citizens of Russia, Germans or French appearing under the head of citizens of Switzerland, Belgians appearing under the head of citizens of France, Germans or Russians given by race or people as Austrian, Hungarian, Bohemian, Moravian, Polish, Slovak, Dalmatian, Croatian, Slovenian, Ruthenian, Carpathian Russian, Bosnian, Herzegovinian, Montenegrin, Servian, Bulgarian, Roumanian, Turkish, Armenian, Syrian, Arabian, Palestinian, Egyptian, Persian, Afghan, Hindu, East Indian, Chinese, Japanese, Korean, Siamese, Burman, Malay, Filipino, Polynesian, Central American, South American, West Indian, Australian, New Zealander, Canadian, Mexican, Newfoundlander, Asiatic Russian, Finnish, Lithuanian, Lettish, Esthonian, Icelandic, Iroquois, Hawaiian, Indian, Negro, Pacific Islander, Philippine, Porto Rican, Cuban, West Indian, Central American, South American, European, Asiatic, African, Australian, New Zealand, Canadian, Mexican, Newfoundland, Pacific Islands, Philippine, Porto Rican

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Last permanent residence*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, machine engineer, brass polisher, steel passer, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other nondistinctive designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this correction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examinations of alien arrivals.

Column 8 (*Able to read and write*). The column is subdivided and contains the following questions: "Read what language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "Ireland" appearing under the head of race or people does not mean "France," by inmates. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Argentina, Brazil, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more, shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of closest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether alien has passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be charged among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period (if years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Sworn to before me this 27 day of May, 19[illegible]

at [illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Alien (or status)*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, stone polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other inadequate designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in either case.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following question: "Read what language or dialect imparted?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, countries of last permanent residence, and country of birth, and careless should be carefully noted by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Russian subject may properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of that portion of Italy south of the basin of the River Po (or northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants should be classed as "Italian (south)." Natives of Istria, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gothic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual and not intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence there. The entry on this line should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town), if intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (correct) or No (incorrect).

Column 15 (*By whom sent passage paid*). The entry should show definitely by whom passage was paid—self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*). The answer should be in each case universal or family, the cash amounts of persons shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are of explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The Answer in this column should be expressed in years, or months the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, statistician, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other nondescript designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks, during the personal examination of each arriving alien.

Column 8 (*Able to read and write*).—This column is self-explanatory and contains the following question: "Read what language (or dialect) the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scanned by inspectors and deputy clerks in this regard. For instance, "French" appearing under head of country does not mean French by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

HEBREW

The people who are natives of Russia, Poland, Austria-Hungary, Germany, Roumania, Turkey in Asia, Syria, Arabia, Persia, Palestine, Egypt, Spain, Portugal, Italy, Greece, Holland, Belgium, Switzerland, France, England, Scotland, Ireland, Scandinavia, Mexico, Cuba, Central and South America, the West Indies, China, Japan, India, Australia, New Zealand, Canada, and the United States, and their descendants, whether residents of these countries or not, should be classified as "Hebrew" people.

HEBREW (SPANISH-PORTUGUESE)

The people who are natives of Spain, Portugal, Italy, Greece, Holland, Belgium, Switzerland, France, England, Scotland, Ireland, Scandinavia, Mexico, Cuba, Central and South America, the West Indies, China, Japan, India, Australia, New Zealand, Canada, and the United States, and their descendants, whether residents of these countries or not, should be classified as "Hebrew (Spanish-Portuguese)" people.

HEBREW (OTHER)

The people who are natives of Russia, Poland, Austria-Hungary, Germany, Roumania, Turkey in Asia, Syria, Arabia, Persia, Palestine, Egypt, Spain, Portugal, Italy, Greece, Holland, Belgium, Switzerland, France, England, Scotland, Ireland, Scandinavia, Mexico, Cuba, Central and South America, the West Indies, China, Japan, India, Australia, New Zealand, Canada, and the United States, and their descendants, whether residents of these countries or not, should be classified as "Hebrew (other)" people.

ITALIAN (NORTH)

The people who are natives to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, wherever residents, in Italy, Austria-Hungary, or any other country, should be classified as "Italian (north)." Most of these people speak a Gaulic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Aliens coming to the United States often have two or more places of residence, but each one can have only one country of last permanent residence. The last country in which alien resided with the intention of residence and home for a year or more should be the last permanent residence, regardless of length of actual residence in the United States. In column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that Stateside companies accurately show country of last permanent residence, as intended of country of temporary sojourn, country of birth, nationality, or race.

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—Complete of last permanent residents of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded. United States.

entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended place of permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place city or town of intended future permanent residence if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No, as the ticket.

Column 15 (*Alien was passage paid*).—The entry should show definitely as to whether passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The question should be answered by an unequivocal or failure, the exact amount of money shown. Money brought by the alien or by a friend should not be included among the possessions of the former.

Column 18 (*Whether ever before in the United States, and if so when and where*).—If the answer should show whether or not Yes or No in the United States before, and if so, the visit, for example, 3 years, as: 1904–1907, Philadelphia.

Column 19 (*Whether going to join relatives in France, and if so, what relative*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, and give name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, if "no," in most cases are subject to revision by inspection officers in the examination of aliens. Rejection of applicants for question 26, if alien has been deported within one year prior to the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, shoemaker, locomotive engineer, mining engineer, brass polisher, stove polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as owned.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this description on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8—*Can read and write.* The answer is subdivided and contains the following questions:

"Read what language?" If exemption is claimed, upon what ground? In answering this question the language in which the alien is asked to read should be stated. If alien is unable to read and claims exemption from all reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French," by race or people, necessarily. "French" appearing under the head of race or people does not mean "France," by country. An Irish, Germans, or Bohemian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 16 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 17 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 18 (*Whether in possession of $50 and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 19 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 20 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 29 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, as answering question 29, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, VOGEL, William 1st Officer, of the french SS" FRANCE " from LE HAVRE, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, stone polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Can read and write*). The answer in each case should answer the following questions: "Read what language or dialect?" "Write what language or dialect?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien, by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1904, 1895, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to reexamination by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, MACE Georges, Surgeon of the French SS " FRANCE ", Sailing therewith, do solemnly, sincerely, and truly swear that I have had Twenty five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, four in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 27 day of May, 1925

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, VOGEL, William 1st Officer, of the french SS "FRANCE" from Le Havre ..... , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, steamship engineer, locomotive engineer, mining engineer, brass polisher, steel passer, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other inadequate designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should insist that distinction on the manifests, and corrections should be made, if necessary, by inspectors and inquiry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following questions: "Read what language or, if exemption is claimed, upon what ground." In answering this question the language or channel the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and no entries should be carelessly passed by inspectors and inquiry clerks in this regard. For instance, "France" appearing under the head of country does not mean French by race or people, and, similarly, "French" appearing under the head of race or people does not mean France by country. An Irish, German or Hebrew alien by race might properly come under the heading of Spanish, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whatever residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*). The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1904–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

110

I, MACE, Georges, Surgeon of the "FRANCE", sailing therewith, do solemnly, sincerely, and truly swear that I have had Twenty five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, four in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 27 day of May, 1925

at New York

(Signature and title of immigrant or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, VOGEL, William 1st Officer, of the French SS "FRANCE" from Le Havre, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Vogel

1st Officer.

Sworn to before me this 27 day of May, 1925

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other inadequate designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following questions: "Can read" and "can't read." In answering this question "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language in which the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (*i.e.*, compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (*i.e.*, compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of conntry of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Comun 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence, if within the United States. The entry should definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] *1st Officer, of the French SS "[illegible]" from* Le Havre *, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* two *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

1st *Officer.*

Sworn to before me this 27 *day of* May, 1913

at [illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, trade patenter, steel passer, iron worker, wood turner, etc., and not simply as engineer, painter, worker, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following question: "Read what language (or, if exempted, is claimed, upon what ground)?" In answering this question the language or dialect the alien can talk to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1904–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass moulder, shoe moulder, iron moulder, wood turner, etc., and not simply "engineer, moulder, turner, or other indefinite designations.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following questions: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" (a race or people and, similarly, "French" appearing under the head of race or people does not mean "France" (a country). An Irish, German, or Russian alien of any race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a vedic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as 1904, 1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Clerk, stenographer, statistician, bookkeeper, teacher, author, editor, physician, artist, painter, sculptor, musician, engineer, mechanical engineer, civil engineer, mining engineer, farmer, stockman, laborer, servant, barber, hairdresser, manicurist, dressmaker, milliner, seamstress, tailor, tailoress, upholsterer, carpenter, cabinetmaker, engraver, furniture worker, weaver, dyer, spinner, textile worker, iron worker, machinist, toolmaker, die sinker, pattern maker, moulder, founder, forger, roller, heater, puddler, steel polisher, riveter, engine driver, fireman (not locomotive), conductor, motorman, switchman, foreman, inspector, guard, brakeman, porter, hostler, horseshoer, driver, chauffeur, mariner (sailor or seaman), fisherman, lumberman, woodworker (not carpenter), cabinetmaker, painter, glazier, stonecutter, stone mason, bricklayer, plasterer, tile layer, paperhanger, tinsmith, roofer, slater, plumber, gasfitter, steamfitter, turner, miner, driller, blaster, well driller, furnaceman, puddler, roller, heater, steel polisher, metal polisher, buffer, painter (not artist), gilder, decorator, whitewasher, cleaner, sailmaker, rigger, packer, shipper, stevedore, longshoreman, or laborer.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A person whose occupation is "gentleman" or "lady" is rarely found. Usually such persons are property owners, and should be so described.

Seamen, fishermen, and all others who make their living on the ocean must be carefully described.

Common or general terms, such as "laborer," "clerk," "mechanic," "servant," "engineer," "farmer," "seaman," "fisherman," "driver," "painter," "tailor," "dressmaker," "operative," "manufacturer," "merchant," "peddler," "agent," "gentleman," "lady," "boy," "girl," "child," "infant," "baby," "none," "unknown," "same as above," "ditto," "do," or the like, will not be accepted.

Column 7. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 8. *Race or people.*—See list of races printed on back of the sheet. The entry should show the race or people to which an alien belongs.

Special care should be taken to distinguish between race and the country of which a citizen or subject. Country of last permanent residence and country of birth and manifests should be accurately filled in to correct glaring errors shown in the record. For instance, Hebrew appearing under the head of countries is stated meant "French" by race or people and, similarly, "French" appearing under the head of countries or people is stated meant "Hebrew" by race or people. Any locality, German or Hebrew always to be regarded as coming under the heading of England, Scotland, or any other country. In this connection the following discrimination should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and the districts of Trent, Trieste, Gorizia, and Istria, formerly belonging to Austria-Hungary), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Umbria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Aquila, Benevento, Capua, and Naples, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)."

Column 11. *Last permanent residence.*—Although an alien may have formed one, you shall complete permanent residence. The last country in which alien received, duly registered, certain degree, over or more, is the last permanent residence regardless of length, the fact that he or she then in.

In column 11 should show the country, and town of last permanent residence. It is important that statistical purposes that identical spelling and names of notably the countries of last permanent residence independent country of transient residence, country of birth, nationality, or race.

Correct is that permanent residents of aliens who are permanent residents of the United States and are returning to it in a visit abroad the alien has resided in United States.

Column 12. *Name and complete address of near relative or friend in the country whence alien came.*—The entry should show name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended future permanent residence. An alien intending to proceed to some other country for permanent residence. The entry should show definitely the place in the United States to which alien intends to proceed. Intended future permanent residence, if within the United States, consists of outside the United States.

Column 14. *Whether having a ticket through to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, by friend, father, brother, employer, United States Government, etc.

Column 18. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20-34. These questions are self-explanatory, and the answers, like all others on the sheet, are subject to re-search by immigration officers in the examination of aliens. However, in answering question 28, if alien has been deported on a previous visit and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, account to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Last address). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age). The Answer in this column should be expressed in Years or months, the latter if persons of less than one year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The answer should be M (married), S (single), Wd (widowed) or D (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation (trade or profession) of each person, if any, as follows: Coal miner, shoemaker, engineer, laborer, engineer (mining engineer), civil engineer, steel worker, tailor, tailoress, seamstress, housekeeper, nurse, servant, farmer, farm laborer, clerk, merchant, manufacturer, etc. Persons having no occupation should be returned as "none." Wives and children should not be returned as having no occupation merely because they perform household duties without pay, but if they have an occupation by which they earn money, that occupation should be entered. Do not return a man as a laborer, peddler, butcher, or other inadequate designation.

A dressmaker should not be returned as a seamstress, nor a manager as a clerk, unless such is the fact.

A farmer owns and operates a farm, either for himself or for others.

A farm laborer works on a farm for the man who employs him.

A laborer is one who performs work of a crude character, requiring little or no skill.

Stevedores, longshoremen, roustabouts, and deckhands should be returned as sailors.

Persons having no occupation should be returned as "none."

Column 8 (Can read and write). Four classes are understood and express the following questions: "Read either any one language?" "Write either any one language?" In answering this question the word "language" is to be understood to mean "language commonly used by persons of the race to which the alien belongs." Thus, a Hebrew who can read and write Hebrew, but not English, should be returned as complying with the requirement, the personal language of such a person being Hebrew.

Column 9 (Nationality). Nationality as used in this column is to be construed to mean the country of which the alien is a citizen or subject.

Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the racial people or kindred to which each alien belongs, as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth must in all cases be entered in accordance with specific theories in this regard. For instance, a Finn, appearing under the head of nationality, does not mean, necessarily, that he is a native of Finland, but may mean that he is a native of Russia, Sweden, or Norway, and is a Finn by race or people. So, also, a native of Germany may be a Hebrew or a Pole; a native of Turkey may be a Greek, Armenian, Syrian, Turk, Hebrew, Arab, Kurd, Roumanian, Bulgarian, Servian, Montenegrin, Albanian, Croatian, Dalmatian, Herzegovinian, Bosnian, Slavonian, or Austrian; a native of Austria may be a Bohemian, Moravian, Croatian, Slovak, Slovenian, Dalmatian, Ruthenian, Polish, Italian, Roumanian, Servian, Montenegrin, Herzegovinian, Bosnian, Hebrew, Magyar, Croatian, Slavonian, Austrian, German, Turk, Albanian, Bulgarian, Gypsy, or Armenian; a native of Hungary may be a Magyar, Croatian, Slavonian, Slovak, Ruthenian, Roumanian, Hebrew, German, Austrian, Servian, Montenegrin, Herzegovinian, Bosnian, Dalmatian, Bulgarian, Gypsy, or Armenian; a native of Great Britain may be a Welsh, Scotch, Irish, English, Cornish, Manx, Hebrew, Gypsy, or Negro; a native of Canada may be a Canadian, Hebrew, Gypsy, Negro, Indian, Acadian, Newfoundlander, Labrador, Esquimau, Icelander, Bermudian, or Barbadian; a native of Mexico may be a Mexican, Indian, Spanish, Spanish American, Negro, Gypsy, Chinese, Japanese, Hebrew, Syrian, Arab, Turk, Armenian, Greek, Italian, Roumanian, Bulgarian, Servian, Montenegrin, Herzegovinian, Bosnian, Dalmatian, Croatian, Slavonian, Slovak, Ruthenian, Polish, Magyar, Austrian, German, Portuguese, Japanese, Chinese, Hindu, East Indian, Scandinavian, Finnish, Russian, Lithuanian, Bohemian, Moravian, Slovenian

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible] from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith (or the surgeon employed by the owners thereof), to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master Officer.

Sworn to before me this [illegible] day of May, 19[illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax exempt.* Steamship lines should make no entries in this column. The space is to be used by immigration officers.

Column 3. *Age.* The age of the master should be expressed in years or months. The latter applies only to infants under 1 year of age.

Column 4. *Sex.* Use a capital M (male) or F (female).

Column 5. *Married or single.* Use a capital M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation the master is pursuing at the time of sailing. Such terms as "gentleman," "lady," "servant," "child," "infant," "boy," "girl," and "none" are not sufficiently descriptive and should not be used.

A laborer who works for others is to be so described.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for another who operates it.

Steamship companies should not use the abbreviation "do" (ditto) in this column. Each entry should be legible, if necessary, to persons who are unfamiliar with the English language.

Column 7. *Nationality.* The nationality of the master should be entered in this column. The word "nationality" as used in this column means the country to which the master belongs as a subject or citizen, and not his place of birth, race, or color. For example, a person born in Germany of Polish parents, who has become a naturalized citizen of the United States, should have the word "American" entered in this column. A native of Ireland, Scotland, or Wales should have the word "British" entered in this column, and not "Irish," "Scotch," or "Welsh."

Column 8. *Last residence.* The answer to this question should be the country of which the master is a citizen or subject.

Column 9. *Race or people.* See list of races printed on back of this sheet. The entry should show whether the master belongs to the Hebrew or any other race or people, and if so, which one.

Special attention is called to care to be taken in distinguishing between race and the country of which a person is a subject, citizen, or denizen. All persons born in Cuba, Mexico, Scotland, England, Ireland, Wales, Germany, France, or any other country, should have entered in this column the word indicating the race or people to which they belong, as "Negro," "Hebrew," "Irish," "Scotch," "English," "German," "French," etc. Persons born in the British Provinces of North America should be described as "English," "Scotch," "Irish," "French," etc., and not as "Canadian," unless they belong to the Indian or Negro race. Persons born in Mexico should be described as "Mexican" or "Spanish-American," and not as "Spanish," unless they are of the Spanish race. Persons born in Cuba should be described as "Cuban," "Spanish," "Negro," or "Spanish-American," according to the facts in each case. Persons born in the British Provinces of North America should not be described as "Canadian" unless they belong to the Indian or Negro race. Persons born in the United States should be described as "American" unless they belong to the Indian or Negro race. Persons born in Ireland should be described as "Irish" and not as "British," unless they belong to the Hebrew or Negro race. Persons born in Scotland should be described as "Scotch" and not as "British," unless they belong to the Hebrew or Negro race. Persons born in Wales should be described as "Welsh" and not as "British," unless they belong to the Hebrew or Negro race. Persons born in England should be described as "English" and not as "British," unless they belong to the Hebrew or Negro race. Persons born in the British Provinces of North America, other than Canada, Newfoundland, or any other country, should be described in connection with the following definitions where applicable, and not otherwise.

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, should be entered as "Italian (north)." Natives of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be entered as "Italian (south)."

Columns 10 and 11. *Last previous residence.* Where an alien has resided for one year or more previous to the last permanent location or residence, it should show the country of such residence. If an alien has resided in different places during the period of one year, it should show the place at which he resided the longest during such period. Temporary visits abroad of persons having a permanent residence in the United States should not operate to change the permanent character of such residence, but the last permanent residence before coming to the United States should be given. Persons who have no permanent residence should give the place from which they last came. The name of a city or town should be given rather than the name of a province or country. Such answers as "Europe," "Asia," "West Indies," "Central America," "South America," "Africa," "Pacific Islands," "Atlantic Islands," "Azores," "Madeira," "Canary Islands," "Cape Verde Islands," "Barbary States," "East Indies," or "Australia" are indefinite and should not be used.

Column 12. *Final destination.* The answer to this question should state the intended future permanent residence. An intended residence of one year should be considered sufficient. The entry should show definitely the place, as a town, if intended future permanent residence, if within the United States; otherwise, if intended for the United States.

Column 13. *Whether going to join relative or friend, and if so, what relative or friend.* The answer should be either Yes (or "sister") or No.

Column 14. *Ever in prison, etc.* The entry should show distinctly by whom passage was paid, as "self," "friend," "brother," "sister," "father," "mother," "husband," "wife," "son," "daughter," "grandfather," "grandmother," "uncle," "aunt," "cousin," "employer," "steamship company," "charitable society," "State," "municipality," "United States," or "other relative" (specifying which relative), or "other friend" (specifying which friend).

Column 15. *Whether in possession of $50 and how much.* The answer should be "Yes" or "No," as the case may be. If the master has less than $50, the exact amount should be stated.

Column 16. *Whether ticket through.* The answer should be "Yes" or "No," as the case may be.

Column 17. *Whether coming to join husband or other relative.* The answer should be "Yes" or "No," as the case may be.

Column 18. *Whether ever before in the United States, and if so, when and where.* The entries should show all visits to the United States, stating when and where. The entries should show whether the master has been in the United States before, and if so, the year or period in years and place or cities in the United States where.

Columns 19 to 21. These questions are self-explanatory and the answers, like all others on the sheet, are subject to be inquired into by inspection officers in the examination of aliens. However, if answering "yes" to 19 none has been expected, answers to 20 and 21 are not necessary. If Latvia has authorized him to transport for admission, the nationality for each person shall be so given.

AFFIDAVIT OF SURGEON

1, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2: *Head tax status.* Steamship lines should make no entries in this column. The space is for use in connection with [illegible].

Column 3: *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: *Sex.* The entry should be either M (male) or F (female).

Column 6: *Married or single.* The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7: *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, profession, or other calling of each alien arriving. Do not enter laborer, laboring man, or servant, unless the person has no trade, skill, profession, or occupation, and is destitute of means. Enter such persons as laborers, farmers, etc., and not as gentlemen, ladies, students, or without occupation, if actually employed.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the boss who operates it.

Common laborers are those who do the rough work about the town, streets, and docks, and carriers should be made, if the person does not follow some more definite trade, such as expressman, teamster, etc.

Common terms *read and write.* This column should be headed and contains the following question: "Can the passenger read or write, or both?" The answer should be stated. If alien is unable to read and write, the fact should be so stated. The following requirement should be complied with: "Each person shall be given a slip containing not more than ten words in the native language of such person, and required to read the same for the purpose of ascertaining whether he can read, and such person shall be deemed to read within the meaning of this act if he read the words correctly in any language or dialect."

Column 9: *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10: *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, as, for instance, of Irish race, a native of Ireland, but a subject of Great Britain; of Hebrew race, a native of Russia, but a citizen of the United States; of Bohemian race, a native of Austria, but a subject of Great Britain; of Scotch race, a native of Scotland, but a subject of Great Britain; of Welsh race, a native of Wales, but a subject of Great Britain; of French race, a native of France, but a citizen of Switzerland; of Negro race, a native of Africa, but a subject of Great Britain; of German race, a native of Germany, but a subject of Austria; of Chinese race, a native of China, but a subject of Great Britain; of Polish race, a native of Russia, Germany, or Austria, but not a subject of any of these countries; of Syrian race, a native of Turkey in Asia, but not a subject of Turkey; of Finnish race, a native of Russia, but not a subject of Russia; of Lapp race, a native of Sweden, but not a subject of Sweden; of Gypsy race, a native of Hungary, but not a subject of Hungary; of Armenian race, a native of Turkey in Asia, but not a subject of Turkey; of Basque race, a native of France, but not a subject of France; of Moorish race, a native of Morocco, but not a subject of Morocco; of Canadian race, a native of Canada, but not a subject of Great Britain; of Cuban race, a native of Cuba, but not a subject of Spain; of Porto Rican race, a native of Porto Rico, but not a subject of Spain; of Philippine race, a native of the Philippine Islands, but not a subject of Spain; of Indian race, a native of India, but not a subject of Great Britain; of Mexican race, a native of Mexico, but not a subject of Mexico; of Indian race, a native of the United States, but not a citizen of the United States; of Hawaiian race, a native of Hawaii, but not a subject of Hawaii; of Japanese race, a native of Japan, but not a subject of Japan; of Korean race, a native of Korea, but not a subject of Korea; of Siamese race, a native of Siam, but not a subject of Siam; of Arabian race, a native of Arabia, but not a subject of Arabia; of Afghan race, a native of Afghanistan, but not a subject of Afghanistan; of Turkestan race, a native of Turkestan, but not a subject of Turkestan; of Dutch race, a native of Holland, but not a subject of Holland; of Javanese race, a native of Java, but not a subject of Holland; of Maori race, a native of New Zealand, but not a subject of Great Britain; of Australian race, a native of Australia, but not a subject of Great Britain; of Tasmanian race, a native of Tasmania, but not a subject of Great Britain; of Norwegian race, a native of Norway, but not a subject of Norway; of Swedish race, a native of Sweden, but not a subject of Sweden; of Danish race, a native of Denmark, but not a subject of Denmark; of Icelandic race, a native of Iceland, but not a subject of Denmark; of Greenland race, a native of Greenland, but not a subject of Denmark; of Liberian race, a native of Liberia, but not a subject of Liberia; of Haitian race, a native of Haiti, but not a subject of Haiti; of Santo Domingan race, a native of Santo Domingo, but not a subject of Santo Domingo; of Portuguese race, a native of Portugal, but not a subject of Portugal; of Brazilian race, a native of Brazil, but not a subject of Brazil; of Argentine race, a native of Argentina, but not a subject of Argentina; of Chilean race, a native of Chile, but not a subject of Chile; of Bolivian race, a native of Bolivia, but not a subject of Bolivia; of Peruvian race, a native of Peru, but not a subject of Peru; of Colombian race, a native of Colombia, but not a subject of Colombia; of Venezuelan race, a native of Venezuela, but not a subject of Venezuela; of Guatemalan race, a native of Guatemala, but not a subject of Guatemala; of Honduran race, a native of Honduras, but not a subject of Honduras; of Salvadorean race, a native of Salvador, but not a subject of Salvador; of Nicaraguan race, a native of Nicaragua, but not a subject of Nicaragua; of Costa Rican race, a native of Costa Rica, but not a subject of Costa Rica; of Panaman race, a native of Panama, but not a subject of Panama; of Scotch race, a native of Scotland, but not a subject of Great Britain; of Welsh race, a native of Wales, but not a subject of Great Britain; of French race, a native of France, but not a citizen of Switzerland; of Negro race, a native of Africa, but not a subject of Great Britain; of German race, a native of Germany, but not a subject of Austria; of Chinese race, a native of China, but not

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: "coal engineer, steam engineer, locomotive engineer, machine engineer, brass polisher, wood turner, etc.," and not simply as "engineer," "polisher," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies serving make no distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy collectors during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is subdivided and contains the full text question: "Read what language (or if exempted from reading state what exempted)?" In answering this question the language or dialect the alien can and does read should be stated. If alien is unable to read and claims exemption from the reading requirement, the proper forensic examination should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as nearly as can be.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of late governmental resurgence and country of birth and nativeness should be carefully scanned by inspectors and records clerks in this regard. For instance, Finns, appearing under the head of countries as not to-day Russian by race of people and, similarly, French appearing under the head of countries as not to-day French by race or people, and, similarly, Germans appearing under the head of countries as not to-day German by race or people. CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American Ports, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a transitional dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual place of residence, not simply nationality, of alien. Should be entered in accordance with the statement made concerning the alien's intention as to permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the first to receive consideration as to permanent residence therein. The entry in column 11 should show the country, province, or district of last permanent residence. It is important for statistical purposes that absolute correctness be made in the entry of last permanent residence, independent of country of temporary residence, consular agents of birth, naturalization, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative is living, state name and address of friend.

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the place (city or town, if intended future permanent residence, if within the United States, instead of simply the United States.

Columns 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as "self," "parent," "friend," "other person," "steamship company," etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The answer should be given in each case (individual or family). The value of the money should be reduced to United States currency. Money brought by the head of a family should not be included among the several amounts of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (yes or no) the alien has been in the United States before, and if so, the year or period of years, and place, as 1894, 1895, Philadelphia.

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering questions 20, 21, 22, and 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Masters, of the U. S. Ship [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, civil engineer, shoemaker, clerk, mechanical engineer, mining engineer, horse breeder, stock raiser, iron manufacturer, wood turner, etc., and not simply "engineer," "manufacturer," "farmer," or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies will make the distinction in the tax blanks, and corrections should be made, if necessary, by inquiry and carefully considering the purpose examination of aliens generally.

Column 8. *Ability to read and write.*—This column is to be filled with the letter Y (yes) or N (no). "Read what language (or dialect)" is to be answered upon what ground? In answering this question the language or dialect the alien can read should be stated. If alien is unable to read and claims exemption from the foregoing requirement the ground for such exemption should be stated.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is called to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully noted by inspectors and records kept in this regard. For instance, France, appearing under the head of country, does not mean "French" by race or people and similarly, French appearing under the head of race or people does not mean France, Consequently, Arabs, Germans, or Russians given by race or people as to their nationality, or Englishmen, Scotchmen, Irishmen, Welshmen, Canadians, Australians, Hindus, or Africans given by race or people as to their nationality, should not be recorded as "British" by race or people, but should be recorded as "Arab," "German," "Russian," "English," "Scotch," "Irish," "Welsh," "Canadian," "Australian," "Hindu," or "African," as the case may be, and the country of which a citizen or subject should be recorded as "British."

Column 11. *Last permanent residence.*—What country has each alien used as his home? The entry should show the country of which each alien has been a resident for one year or more, if he has had a permanent residence for such length of time, immediately preceding his coming to the United States. It is intended by this column to show the country of last permanent residence as distinguished from country of birth, nationality, or race.

Questions of past permanent residence of aliens who are not natural residents of the United States and are returning from a visit abroad should be considered "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall not be sufficient to entry. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, or country if out of the United States.

Column 15. *Whether having ticket to such final destination.*—The answer should be either Yes (or ticket) or No, as the case may be.

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, mother, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less, how much.*—The answer should give in each case the amount of money the alien has in his possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1903, 1905, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are self-explanatory and the answers like all others on the sheet, are required to be made in all cases to the examining officer. However, in answering question 29, if alien has been deported with in one year all the secretary of labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, America, Australia, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, whether residing in Italy, Switzerland, America, Australia, or any other country, should be classed as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter appropriately to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, (widowed), or Div'd, (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: "editor," "author," "physician," "lawyer," "teacher," "engineer," "mining engineer," "miner," "shoemaker," "tailor," "merchant," "tinsmith," "cabinetmaker," "butcher," "baker," "clerk," "boiler maker," "machinist," "molder," "turner," "weaver," "silversmith," "goldsmith," "engraver," "stone cutter," "stone mason," "bricklayer," "plasterer," "plumber," "steam fitter," "steamfitter," "tinner," "roofer," "slater," "painter," "glazier," "paperhanger," "decorator," "blacksmith," "forger," "hammerman," "moulder," "founder," "pattern maker," "rolleyman," "engineer," "fireman," "conductor," "motorman," "switchman," "railroad contractor," "railroad foreman," "railroad laborer," "locomotive engineer," "stationary engineer," "fireman," "oiler," "sailor," "seaman," "boatman," "fisherman," "waterman," "longshoreman," "stevedore," "lumberman," "sawyer," "logger," "farmer," "farm laborer," "gardener," "florist," "nurseryman," "poultryman," "stockman," "herder," "cowboy," "shepherd," "dairyman," "agriculturist," "horseman," "veterinary surgeon," "turpentine farmer," "groom," "hostler," "driver," "teamster," "chauffeur," "mason," "tailor," "tailoress," "dressmaker," "milliner," "hatter," "furrier," "miller," "butcher," "packer," "painter," "cook," "waiter," "waitress," "housekeeper," "maid," "porter," "janitor," "laundress," "launderer," "presser," "barber," "hairdresser," "manicurist," "bootblack," "restaurant keeper," "saloonkeeper," "bartender," "actor," "actress," "showman," "artist," "electrician," "soldier," "policeman," "fireman," "government official," "lawyer," "notary public," "clergyman," "missionary," "professor," "teacher," "musician," "student," "clerk," "bookkeeper," "cashier," "secretary," "stenographer," "typewriter," "accountant," "auditor," "bank messenger," "porter," "salesman," "peddler," "merchant," "banker," "broker," "manufacturer," "contractor," "real estate agent," "publisher," "editor," "reporter," "author," "translator," "interpreter," "photographer," "aviator," "aeronaut," "chemist," "metallurgist," "mechanical engineer," "electrical engineer," "civil engineer," "mining engineer," "surveyor," "topographer," "draftsman," "inventor," "architect," "designer," "decorator," "upholsterer," "cabinetmaker," "carpenter," "joiner," "wood carver," "wood turner," etc., and not simply "engineer," "mechanic," "laborer," "clerk," "manufacturer," or "dealer."

A difference should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stenographers and typewriters should make no distinction between the two words, but should write whichever is necessary, in accordance with the dictation of the employer.

Column 8. *Ultimate destination.*—This column should be filled in by answering the following question: "Where is the alien going?" If citizenship is claimed upon what ground? In answering this question the statement of the alien is to be recorded, even though it be stated that he is undecided as to his ultimate destination. Should the alien state that he is going to a certain State, but has no definite place in view, the name of the State should be written. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully guarded against. Certain races, even in this regard, require special attention. For instance, "French" and "German" are frequently considered races, as in "French-Canadian" and "German-Russian," while "Irish" is frequently considered a race, as in "Irish-English." In the case of people and, similarly, "French" appearing under the head of race or people, it is not enough that France be the country of which alien is a citizen or subject. Any Irish, German, or Hebrew already connected in the following alternatives should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in these divisions of Austria-Hungary, or any other country, are all to be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—A load of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for one year or more shall be the last permanent residence regardless of the actual residence thereof. Hence aliens in column 11 should show the name and give country of last permanent residence. If such residence for educational purposes only should be given, regardless of length of actual residence. If last permanent residence cannot be ascertained, the country of birth should be given. Regarding dependent children, the last permanent residence of parents may be taken as residence of both nationality or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a visit abroad shall be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If the alien's relative living should state and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place city or town, of intended future permanent residence, if within the United States country, if outside the United States.

Column 14. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50 and if less how much.*—The money of all persons and each one's individual effortless the exact amount of money shown. Money brought by the head of a family should not be included in the several members' individuals.

Column 17. *Whether ever before in the United States and if so when and where.*—The entries should show whether yes or no in the United States before, and then the year or period of years and place, as 1903, New Hampshire.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers like all others on the sheet are subject to inspection by immigration officers in the examination of aliens. However, to answer no questions 26, if aliens has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, [illegible], of the [illegible] from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith (or the surgeon employed by the owners thereof), to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged 14 or over, as, for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass moulder, steel moulder, iron worker, wood turner, etc., and not simply as engineer, moulder, worker, laborer, or other non-descriptive terms.

A distinction should be made between farmers and farm laborers, regardless of the amount of money about each owns.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should correct the information on the manifests, and corrections should be made if necessary by inspectors and reported twice daily during the personal examination of aliens arriving.

Column 8 (*Able to read or not*).—The question is understood and answered if the following question, "Read what language or dialect?" has been asked, and answered "Can read" or "Cannot read." In answering this question the language or dialect the alien is most likely to read should be stated. If alien is able to read and claims exemption from the educational test, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in sailing.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes shown by carefully trained lists inspectors and thereby cause delay in the transfer. For instance, "Russia," appearing under the head of country does not mean Hebrew, in case of people and nationality "French," appearing under the head of race or people means not "France," but Canadian. So Irish, German, or Hebrew also, in case might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American ports, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartimenti of Piedmonte, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a certain dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual fact as intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The alien in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence and not merely country of last permanent residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are not natives of the United States and are returning from a visit abroad should be recorded United States.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, himself, husband, father, mother, or other relative or friend; if by steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case the actual possession of females, by the cash amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States—and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1904, 1907, Philadelphia.

Column 19 (*Whether going to join relative or friend—and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspection officers in the examination of aliens. However, in answering question 20, if alien has been imported under contract, the word and the Secretary of Labor has authorized him to apply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assault or assassination of public officials, or who advocates or teaches the unlawful destruction of property, or who is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible] from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this [illegible] day of [illegible], 19[illegible]

at [illegible]

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space for [illegible] of vessel will be used.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), Wd (widowed) or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived at the examining [illegible] engineer, clerk, laborer, servant, farmer, tailor, seamstress, [illegible] and not simply as "gentleman," "merchant," "laborer," or "[illegible]."

A distinction should be made between [illegible] and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should examine this column, and corrections should be made, if necessary, by inquiries and research made during the period of detention of aliens at ports.

Column 8. *Able to read and write.* The examiner is satisfied and satisfies the following question: "Read what language or dialect or character you will, what answer." In answering this question the language or dialect the alien may [illegible] to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the examiner [illegible] such exemption appears to exist.

Column 9. *Nationality.* Questions 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, as [illegible] last-preceding headings, and countries of land, and questions should be carefully framed by inquiries and research [illegible] it may appear. For instance, "France" appears under the head of countries, does not appear [illegible] the head of race or people, but under "[illegible]." At first glance, [illegible] would seem to be the race or people, but under the heading of [illegible] Switzerland, or any other country. In the connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residents of Italy, Southern Italy, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of [illegible] with actual residence therein. The [illegible] preceding 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that answers to [illegible] accurately show months of last permanent residence independent of country of last [illegible] residence, months of birth, nationality, or race.

Column 12. *Final destination.* Citizens of and permanent residents of persons who are permanent residents of the United States and aliens from whom said aliens should be separated. United States.

Column 13. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14. *Final destination.* The answer to this question shall show the intended future permanent residence. An intention to locate at one spot shall constitute permanent residence. The entry should show definitely the place [illegible] as to name of town and future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.* The entry should show definitely by whom passage was paid, [illegible] himself, father, brother, or other relative, friend, steamship company, etc.

Column 17. *If in possession of $50, and if less, how much.* The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be classed among the personal [illegible].

Column 18. *Whether ever before in the United States, and if so, when and where.* The entries should show who one of [illegible] No. in the United States before, and if so, the year or period of years and place, as 1901-1909, Philadelphia.

Column 19. *Whether going to join relatives or friends, and if so, what relatives or friends.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 29. These questions are self-explanatory and the answers, like all others on the sheet, are subject to [illegible] by inquiries officers in the examination of aliens. However, in answering question 26, if alien has been [illegible] with a criminal and the Secretary of Labor has authorized him to reapply for admission, the nationality for such reapplication cannot be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of immigrant officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, arrival as for example: Coal engineer, stationary engineer, locomotive engineer, brass polisher, shoemaker, tailor, woodworker, wood turner, etc., and not simply as engineer, polisher, worker, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money aliens may have, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their checks with the manifests and corrections should be made, if necessary, by inspectors and boards of special inquiry considering the personal examination of such aliens.

Column 9 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or dialect)?" "Write what language (or dialect)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 10 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 11 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth and manifests should be carefully revised by inspectors and boards of special inquiry in this regard. For instance, Irish appearing under the head of country does not mean "French" by race or people, and, similarly, "English" appearing under the head of country does not mean "Teuton" by race or people. All Irish, German, or Hebrew people by race, no matter properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, no matter residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A total of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereof. The answer in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence: Use of aliens who are permanent residents of the United States and are not coming from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to own final destination*).—The answer should be either Yes (ticket) or No, as indicated.

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1904, 1905, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 30.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to review by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... (State whether Master, Purser, or Second Officer), of the ....., from ....., do solemnly, sincerely, and truly ..... that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, civil engineer, mariners engineer, journeyman mechanic, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the unit who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth and manifests should be carefully revised by inspectors and reports given in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew already naturalized properly come under the heading of England, Switzerland, or any other country. In this connection the following datum-lines should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case (manifested or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1891-1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to re-examination by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], and [illegible] do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of immigrant inspectors.

Column 3. *Age.* — Age last birthday. Persons appearing in this column should be expressed in years or months, the latter appearing only in case of children under 1 year of age.

Column 4. *Sex.* — Enter opposite the other M, male, or F, female.

Column 5. *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or Wdr, widower.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of every person, whether he be a laborer, servant, engineer, clerk, merchant, manufacturer, professor, author, lawyer, physician, or other. Such descriptions as "laborer," "servant," "engineer," "clerk," "merchant," "manufacturer," "gentleman," "lady," "none," "at home," "student," "child," and the like, should not be used, but instead the occupation of each person, however young or old, should be specifically described.

A description should be made of each farmer, stating whether he owns or rents the land he cultivates, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who performs work on a farm for others, receiving wages.

Stockmen, overseers, and other persons employed on farms should be described accordingly.

If the occupation of any person is changed during the voyage, the fact should be noted, and the former occupation also stated.

Column 8. *Able to read.* — Every person should be carefully questioned as to his ability to read, and the answer entered in this column. In determining the ability to read, the following test may be given: Submit to the person a printed card containing at least 30 words in the ordinary language or dialect of the country whence he comes, and require him to read the same aloud. If he can do so, he should be entered as able to read, but not otherwise.

Column 9. *Write.* — Answer should be entered as in case of ability to read.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as "Anglo-Saxon," "Irish," "German," "Italian," "Hebrew," "Polish," "Spanish," "Scandinavian," "Dutch," "French," "Magyar," "Bohemian," "Slovak," "Croatian," "Slovenian," "Ruthenian," "Finnish," "Lithuanian," "Bulgarian," "Servian," "Roumanian," "Greek," "Armenian," "Portuguese," "Mexican," "Japanese," "Chinese," "Syrian," "Turkish," "Hindu," "Negro," "Indian," or other race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd (widowed), or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, blacksmith, steel worker, iron worker, wood turner, etc., and not simply as engineer, laborer, farmer, farmer or other indefinite description.

A laborer "not should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their lists from the ticket and corrections should be made, if necessary, by inquiry before and passing the final examination of aliens at ports.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question, "Read what language, if exemption is claimed, upon what ground." In answering this question the statement of the alien relative to reading should be stated. If alien is unable to read and claims exemption from the foregoing requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people mentioned in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Countries of last permanent residence and country of birth, and inasmuch should be carefully noted in these columns and records, views in this regard. For instance, "France" appearing under the head of country of birth, the race or people, and similarly, French appearing under the head of race or people does not mean that a native by country. An Irish, German, or Hebrew alien, by race or people, may be under the heading of England, Switzerland, or any other country. In this connection the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South American countries, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardia, Venezia and Emilia, and their descendants who are residents in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the bourne of the River Po, i. e., compartments of Liguria, Toscana, the Marches, Umbria, Rome (the City), and Maremma, Abruzzi, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, shall be classed as "Italian (south)."

Column 11. *Last permanent residence.*—A declaration of intended residence of one year shall constitute permanent residence. The last country to which aliens resided with the intention of remaining out of or proceeding to the last permanent residence registered months (seven months) is correct. The entries in this column should show the country and city or town of last permanent residence. It is important for statistical purposes that statistics publications accurately show country of last permanent residence independent of country of intended residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entries should give name and address of such relatives. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entries should show definitely the name, street, and city of intended future permanent residence, if within the United States. Do not write in general the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, friend, father, husband, or other relative (state which), or United Order.

Column 17. *Whether in possession of $50 and if less how much.*—The amount should be given in each case (penniless, or none), the exact amount of money in possession. Money brought by the head of a family should not be charged against the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not alien was in the United States before, and if so, the year (or period of years) and place, as 1903, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31.—These questions are self-explanatory and the answers, like all others on the sheet, are supposed to be made by persons in charge of the examination. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, civil engineer, steam engineer, locomotive engineer, mining engineer, house painter, steel worker, iron worker, wood turner, etc., and not simply as laborer, worker, helper, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who owns it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of such arrivals.

Column 8. (*Can to read and write.*—This column is sub-divided and contains the following question: "Read what language or if exempted ascertained, upon what ground." In answering this question in the affirmative or negative the alien's ability to read should be ascertained. Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and statements should be carefully framed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of "Country" does not mean "French" as to race or people, and similarly, "Canada" appearing under the head of "Country" does not mean "French Canadian" or "Canadian" as to race or people, but simply that the person mentioned was born in Canada or has resided there. Persons may have been born in Liberia, but they are not necessarily "Liberians" as to race or people. Persons may have been born in Abyssinia, but they are not necessarily "Abyssinians" as to race or people. Persons may have been born in Egypt, but they are not necessarily "Egyptians" as to race or people. Persons may have been born in Algeria, but they are not necessarily "Algerians" as to race or people. Persons may have been born in Tripoli, but they are not necessarily "Tripolitans" as to race or people. Persons may have been born in Tunis, but they are not necessarily "Tunisians" as to race or people. Persons may have been born in Africa, but they are not necessarily "Africans" as to race or people. Persons may have been born in Asia, but they are not necessarily "Asiatics" as to race or people.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, Asia, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardia, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided, with the intention of remaining one year or more, shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city of last permanent residence. It is important for statistical purposes that steamship companies in entering these data show definitely the last permanent residence independent of country of temporary residence, consular, of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to it after a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entries should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entries should show the place (city or town) of intended future permanent residence if within the United States, country if outside the United States.

Column 14. (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15. (*By whom was passage paid.*—The entry should show definitely by whom passage was paid, as "Self," "Father," "Mother," "Husband," "Wife," "Brother," "Sister," "Friend," "Steamship company," etc.

Column 17. (*Whether in possession of $50, and if less how much.*—The answer should govern each case individually, regardless of the amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 18. (*Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not. Yes or No, as the case may be, in the United States before, and if so, the year (or period of years) and place, as 1894-1897, Philadelphia.

Column 19. (*Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory and the answers like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, to answers to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this [illegible] day of May, 19[illegible]

at [illegible]

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, gas-fitter, mining engineer, lumber piler, nut steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at dock.

Column 8 (*Able to read and write*).—This column is subdivided and contains three heading questions: "Read what language (or, if exemption is claimed, upon what ground)." "Write what language (or, if exemption is claimed, upon what ground)." "Is prospective immigrant able to read?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be carefully framed by bearing both and regard to this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. As Irish, German, or Hebrew may be races might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either "Cubans or Negroes."

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, natives of Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (southern)."

Column 11 (*Final permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is not good for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relatives, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less how much*).—The answer should give in each case (individual or family) the exact amount of money in his possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1903, New Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to scrutiny by inspection officers at the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], a vessel bound from [illegible] to the United States, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this [illegible] day of [illegible], 19[illegible]

at [illegible]

[illegible]

[illegible]
(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before it is finally approved and executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates the unlawful destruction of property, or who is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money worth, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and to*, etc.).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South American Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, shall be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—An final or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with final intention of remaining one year or more shall be the last permanent residence regardless of lengthened actual residence elsewhere. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of countries of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and, if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1904–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of the aliens named herein from the manifest before the affidavit was executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by forcing violence of the Government of the United States or of all forms of law or who disbelieves in or is opposed to organized government or who advocates the assassination of public officials or who advocates or has the useful destruction of property, or is a member of or affiliated with any organization, entertaining and teaching disbelief in or opposition to organized government which teaches the necessity or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] (State whether Master, Agt., or Second Officer), of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this 14th day of May, 19 11

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, "civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Hungary" appearing under the head of country does not mean "Hungarian" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A final or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of port, city of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should not be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place—city or town—of intended future permanent residence, if within the United States, except if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be considered among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not "yes" or "no" in the United States before, and if so, the year (or period of years) and place, as, 1903, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors, officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this [illegible] day of [illegible], 19[illegible]

at [illegible]

[illegible]

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (states).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving. As for example, a coal engineer, lawyer, tailor, seamstress, minister, author, editor, farmer, servant, clerk, etc., and not merely laborer, student, or child. Persons without definite occupation should be returned as having no occupation. Persons under 16 years of age, whether children or students, may be entered as having no occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stress should be placed upon these distinctions in the preparation and correction of the manifests if necessary, by inspectors and others during the period of examination of aliens at ports.

Column 8. *Nationality.*—This column is to be filled in and complete description of the nationality of each alien. In answering this question "Read what Language or Dialect is Spoken" is to be disregarded, and the country to which the alien belongs, or the one to which he claims allegiance, should be stated. If alien is claimed to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth. Said particular should be carefully noted by inspectors and others in their regard. For instance, "France" appearing under heading designated as "Country of birth" may indicate a native of France, or Belgium, or Switzerland, or Canada, or Germany, or Holland, or Spain, or Italy, or Africa, or Asia, or Australia, or any other country. Under heading "Race or people" the entry "French" by race or people and, similarly, "English" or "Irish," "German," or Hebrew" or "Jewish" by race or people should be noted. "French" by race or people may indicate a native of Canada, or Belgium, or Switzerland, or Germany, or Holland, or Spain, or Italy, or Africa, or Asia, or Australia, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venetia, and Emilia) and their descendants, whether residing in these States or in Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more. Do not confuse last permanent residence (country of length of actual residence there) with country of immediate, but not permanent, residence (country from which alien came to the United States). The entry in this column should show the country and city or town of last permanent residence. If in the United States it should show the country and city or town of last permanent residence. Under the statute all persons that constitute a component race, whether of country of birth, nationality, or race, are considered countries of temporary residence. Country of birth, nationality, or race is not considered country of last permanent residence. Only aliens who are permanent residents of the United States and country of last permanent residence of aliens who are permanent residents of the United States are returnable from a year abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intention to remain one year shall constitute permanent residence. The entry should show definitely the place, city or town, if intended future permanent residence. If within the United States, country, if out into the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes, ticketed or No, not ticketed.

Column 16. *Who whose was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if not, how much.*—The answer should be given in each case. Money brought by the head of a family should include amounts of family. Any amount of money in possession of alien should be entered, even though not needed to pay the expenses of himself and family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not alien has been in the United States before, and if so, the year or period of years and place, as, 1891, Ellis Island.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 26.—These questions are self-explanatory and the answers, like all others on the sheet, are not to require any explanation, except in the case of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

2057

I, [illegible], Surgeon of the [illegible], conducted by [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Capt. [illegible], master, of the S.S. [illegible] from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master Officer.

Sworn to before me this [illegible] day of [illegible], 19[illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Alien*) (*or non-alien*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of every alien arrival, as, for example: Civil engineer, stationary engineer, mechanical engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other such indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and reports entered during the personal examination of alien arrivals.

Column 8 (*Can read and write*). This question is subdivided and contains the following questions: "Read what language or dialect?" "Can write what language or dialect?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and immigrants should be carefully examined by inspectors with reference to this. For instance, a Frenchman apparently may be the head of another race or people than a native of France, as, notably, a Breton, Basque, or Alsatian might properly come under the heading of England, Scotchman, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any races with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Liguria, Venetia, and Emilia and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Should be an unbroken residence of one year, short compartments and provinces. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entry in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of allegiance, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be entered "United States."

Column 12 (*Names and addresses of nearest relatives or friends in country whence alien came*). The entry should give name and address of such relatives. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should state definitely the place (city or town) of intended future permanent residence, if within the United States; country if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, parents, friends, employer, or other person (name, relationship, etc.).

Column 16 (*Whether in possession of $50 and by whom furnished. If less than $50, how much*). Additional money should be shown. Money brought by the head of a family should not be credited to the other members of the family.

Column 18 (*Whether ever in the United States, and if so, when and where*). The entry should show whether or not the alien has been in the United States before, and if so, the year (or period of years) and place, as 1903, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*). The answer should state whether going to join others a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 24. These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by immigration officers in the examination of aliens. If there is answering against any of these last columns, care will not be exercised by Immigration officers to require the answering of such inquiries.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass moulder, steel worker, iron miner, wood turner, etc., and not simply as engineer, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Can read and write*). This column is subdivided and contains the following questions: "Read what language (or, if illiterate, state whether can read)?" "Write what language?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and immediate should be corrected by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and similarly, "German," appearing under the head of race or people does not mean "German" by country. An Irish, German, or Russian alien by race would properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venezia, and Emilia), and their dependents, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their dependents should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). A total of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the name of city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (correct) or No (incorrect).

Column 15 (*By whom was passage paid*). The entry should show correctly by whom passage was paid, e. g., self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50 and upwards, how much*). The amount should be stated, even though it be less than the exact amount of $50. Money brought by the head of a family should not be counted as the separate amounts paid to the several members.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, THOMAS A. CRESSY, MASTER, of the CUBAN SS. COMPANIA, from VALENCIA, do solemnly, sincerely, and truly SWEAR, That I have caused the several persons subscribing their names, or the marks made by the unlettered thereof, to make a personal and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, THREE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos A Cressy
Officer.

Sworn to before me this Twenty seven day of May, 19 25.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years; months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Can it read and write*).—This column is subdivided and contains the following questions: Read what language or dialect? If exemption is claimed, upon what grounds? In answering the question, the language or dialect the alien is able to read should be stated. If alien is unable to read, the claim for exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, as data of last permanent residence and country of birth and nationality should be carefully revised by inspectors and registry clerks in this regard. For instance, Irish appearing under the head of country does not mean French by race or people, and, similarly, French appearing under the head race or people does not mean France by country. An Irish, German or Hebrew alien, in fact might properly come under the heading of England, Switzerland or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Data about work and conditions of those of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, that is, the departments of Piedmont, Lombardy, Venetia and Liguria, and also descendants, whether residing in Italy, Switzerland, Austria-Hungary or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the departments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia and their descendants, should be classed as "Italian (South)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded, United States.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If better in possession of \$50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*If he/she ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States, before and if so the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*If he/she going to join relative or friend, and if so, what relative or friend*).—The entries should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Columns 20 to 44.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by the immigrant officers at the port of arrival. However, in answering question 26, if alien has been deported within one year, and the Secretary of Labor has authorized him to come, the affirmative fact of such authorization should be given.

AFFIDAVIT OF SURGEON

I, VIRGINIO ZOMER, Surgeon of the SS ANTOFAGASTA, do solemnly, sincerely, and truly SWEAR that I have had TWENTY FOUR years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of CHILE SOUTH AMERICA, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, THREE in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon sailing thereon or employed by ... and number of years' experience may be)

Sworn to before me this TWENTY SEVEN day of MAY, 19 25.

at NEW YORK.

(Signature and title of immigration or other officer authorized to administer oaths)

Note—If a surgeon sails with the vessel, the affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens over the noted should be noted before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, THOMAS A GREGORY, MASTER, of the CHILEAN SS AJONCAGUA, from VALPARAISO, do solemnly, sincerely, and truly declare (State whether Master, First or Second Officer) that I have caused the surgeon of said vessel carried to the port, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, THREE in number, and that from the report of said surgeon and from my own investigations, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos A Gregory
. . . . . Officer.

Sworn to before me this Twenty seven day of May, 19 25¢

at NEW YORK.

. . . . . Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language, or if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien of any race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

HEBREW.

The people who are native to the basin of the Black Sea in northern Italy, the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, wherever residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy southeast of the basin of the Black Sea, compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show records of last permanent residence independent of country of temporary residence, country of birth, or nationality or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*If before in possession of $50 and if not, how much*).—The answer should state in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before and if so, the year or period of years and place, as, 1894, 1895, Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, . . Virginio Cémar , Surgeon of the Aconcagua , (State whether Surgeon sailing therewith or employed by owners thereof, as the case may be) do solemnly, sincerely, and truly SWEAR that I have had Twenty four years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of . CHILE SOUTH AMERICA , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, One in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

V. Cémar

Sworn to before me this Twenty seven day of May , 1925

(Signature and title of immigration or other officer authorized to administer oaths)

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.
